

25th EUROPEAN SIGNAL PROCESSING CONFERENCE

EUSIPCO2017

28 August-2 September 2017 • Kos island, Greece

CALL FOR TUTORIAL PROPOSALS

EUSIPCO'2017 tutorial proposals will be judged notably by their technical quality, relevance and timeliness of the topic, quality of the proposal, qualification of the speakers, and presence of similar topics or same speakers at recent EUSIPCOs or other conferences.

Eight half-day tutorials are foreseen which will be held on Monday, August 28, 2017. Tutorials with less than 10 registrations a week after the early registration deadline will not be run unless otherwise explicitly decided by the Tutorials Chairs.

Prospective tutorial speakers are invited to submit their proposals via e-mail in PDF by ~~February 17~~, **March 5, 2017**, to the Tutorials Chairs, Béatrice Pesquet-Popescu and Aggelos Pikrakis (tutorials@eusipco2017.org), indicating:

- **Title** for the proposed tutorial, its **outline** and **motivation**
- **List of presenters**, including their CVs in a total of at most two pages
- A short description of the **tutorial goal**, **content** and the **material** to be covered
